**CARNEGIE SCIENCE CENTER'S TWO SCIENTISTS WALK INTO A BAR™**  
**HAPPENS THIS FRIDAY, APRIL 13**

***SHOOT THE BREEZE OVER A COUPLE OF BEVERAGES AND ASK THE EXPERTS ANYTHING!***

**PITTSBURGH, April 11, 2018** — It might sound like the beginning of a bad joke, but it's an awesome program from Carnegie Science Center just for adults. When **Two Scientists Walk into a Bar™**, they're ready to answer all science questions over a couple of beverages! Have a seat and ask our scientists anything related to science on **Friday, April 13**, when 32 scientists will be stationed at 16 different locations in Pittsburgh.

Science topics include biology, chemistry, engineering, robotics, artificial intelligence, neuroscience, astronomy, and immunology. Though each scientist will have different areas of expertise, they're ready to be challenged. Just look for the sign that reads: "We are scientists. Ask us anything!"
