**CELEBRATE THE SEASON OF LOVE AT 21+ NIGHT: SEX, LOVE, AND SCIENCE**  
***ADULTS-ONLY NIGHT AT CARNEGIE SCIENCE CENTER FEATURES SENSORY SPEED DATING,  
CASH BARS, AND LIVE MUSIC***

**PITTSBURGH, Feb. 6, 2019** — Explore the mysteries of the human body and sexuality at Carnegie Science Center's next adults-only night. **21+ Night: Sex, Love, and Science** happens on **Fri., Feb. 15** from **6–10 pm**, and features science experiments that put the strength of latex to the test, sensory speed dating, cash bars, four floors of exhibits, and live music from the Bill Henry Band in PointView Hall.

Other activities include the science behind scents believed to have an aphrodisiac effect, sampling "love potions" with liquid nitrogen, participating in a large-scale epidemiology experiment where you can "swap fluids" to simulate the spread of disease, and more. Additionally, experts will be on-hand to answer questions about human biology and reproduction.

Add a ticket to experience Leonardo da Vinci's art and inventions at *Da Vinci The Exhibition* for just \$9.95! This is a \$10 savings over the individual ticket price. Plus, it's your **FIRST CHANCE** to see this blockbuster exhibition before it opens to the public, and it is a perfect date night or a night to meet your soulmate!

You must be age 21 or older to enter. Proper identification is required, and all guests must show ID at the door. Tickets cost \$15 in advance and \$20 at the door.

21+ Nights are sponsored by TribLIVE, Green Mountain Energy, SSB Bank, Miller Lite, Dos Equis, and Fat Head's.

For more information and to register, visit [CarnegieScienceCenter.org](http://CarnegieScienceCenter.org) or call 412.237.3400.

**About Carnegie Science Center**

Carnegie Science Center is dedicated to inspiring learning and curiosity by connecting science and technology with everyday life. By making science both relevant and fun, the Science Center's goal is to increase science literacy in the region and motivate young people to seek careers in science and technology. One of the four Carnegie Museums

of Pittsburgh, the Science Center is Pittsburgh's premier science exploration destination, reaching more than 700,000 people annually through its hands-on exhibits, camps, classes, and off-site education programs.

**Accessibility: Features for All**

Carnegie Science Center welcomes all visitors. We work to assist visitors with disabilities in obtaining reasonable and appropriate accommodations, and in supporting equal access to services, programs, and activities. We welcome visitors in wheelchairs on the deck of our USS Requin (SS 481) submarine. Below-deck visits require full mobility. Hearing assistance devices are available for The Rangos Giant Cinema. Please ask when you buy your ticket.

Please note that requests for accommodations should be made at least two weeks prior to your visit. For specific questions about wheelchairs, strollers, or other programmatic or equipment needs, see the ticket counter located on the first floor of the main building or contact Customer Service at 412.237.1641 or [info@carnegiesciencecenter.org](mailto:info@carnegiesciencecenter.org). Please contact Carnegie Museums of Pittsburgh's Accessibility Coordinator with concerns regarding accessibility for visitors with disabilities at the museums. On weekdays, call 412.622.6578 or email [accessibility@carnegiemuseums.org](mailto:accessibility@carnegiemuseums.org).

**About Carnegie Museums of Pittsburgh**

Established in 1895 by Andrew Carnegie, Carnegie Museums of Pittsburgh is a collection of four distinctive museums: Carnegie Museum of Art, Carnegie Museum of Natural History, Carnegie Science Center, and The Andy Warhol Museum. In 2017, the museums reached more than 1.4 million people through exhibitions, educational programs, outreach activities, and special events.
