TRUE CRIME ADULT PARTY EXPLORES FORENSIC SCIENCE

***EXPERIMENT WITH DNA, BREAK THROUGH A MINI-ESCAPE ROOM, AND MORE AT
CARNEGIE SCIENCE CENTER***

PITTSBURGH, Feb. 14, 2020 — Put your sleuthing skills to the test at Carnegie Science Center's **Science After Hours: True Crime** on **Fri., Feb. 28** from **6–10 pm** for adults 21+. It's a night of law, order, and forensic science for the crime-solving experts!

- Investigate a mock crime scene with forensic techniques.
- Experiment with DNA extraction.
- Discover the basics of identifying fingerprints, footprints, and dental impressions.
- Take a stab at a mini-escape room.
- Attend a Continuing Legal Education Panel Discussion organized by the Young Lawyers Division of the Allegheny County Bar Association and moderated by Tom Cocchi (Zimmer Kunz, PLLC). Panelists include: Dan Cuddy (Zimmer Kunz, PLLC), Mark Adams (Akman & Associates), James Baker (Allegheny County Public Defender's Office), and Cory Bauer (GTN Law).
- Join Bruce Antkowiak in the search for truth exploring "Brady violations, bad science, and wrongful convictions."
- Plus, enjoy four floors of exhibits, cash bars, and forensic science activities at our law and order party!

Tickets are \$15 in advance at CarnegieScienceCenter.org or \$20 at the door.

Sponsored by TribLIVE, Green Mountain Energy, Miller Lite, Dos Equis, and Fat Heads.

For more information, visit CarnegieScienceCenter.org or call 412.237.3400.

About Carnegie Science Center

Carnegie Science Center is dedicated to inspiring learning and curiosity by connecting science and technology with everyday life. By making science both relevant and fun, the Science Center's goal is to increase science literacy in the region and motivate young people to seek careers in science and technology. One of the four Carnegie Museums of Pittsburgh, the Science Center is Pittsburgh's premier science exploration destination, reaching more than 700,000 people annually through its hands-on exhibits, camps, classes, and off-site education programs.

Accessibility: Features for All

Carnegie Science Center welcomes all visitors. We work to assist visitors with disabilities in obtaining reasonable and appropriate accommodations, and in supporting equal access to services, programs, and activities. We welcome visitors in wheelchairs on the deck of our USS Requin (SS 481) submarine. Below-deck visits require full mobility. Hearing assistance devices are available for The Rangos Giant Cinema. Please ask when you buy your ticket.

Please note that requests for accommodations should be made at least two weeks prior to your visit. For specific questions about wheelchairs, strollers, or other programmatic or equipment needs, see the ticket counter located on the first floor of the main building or contact Customer Service at 412.237.1641 or info@carnegiesciencecenter.org. Please contact Carnegie Museums of Pittsburgh's Accessibility Coordinator with concerns regarding accessibility for visitors with disabilities at the museums. On weekdays, call 412.622.6578 or email accessibility@carnegiemuseums.org.

About Carnegie Museums of Pittsburgh

Established in 1895 by Andrew Carnegie, Carnegie Museums of Pittsburgh is a collection of four distinctive museums: Carnegie Museum of Art, Carnegie Museum of Natural History, Carnegie Science Center, and The Andy Warhol Museum. In 2017, the museums reached more than 1.4 million people through exhibitions, educational programs, outreach activities, and special events.
